Full Description

The Charcoal Chicken machine is the best professional quality charcoal rotisserie grill available anywhere. Cook rotisserie ribs, chicken, turkey, beef or, shish kabobs, seafood, vegetables and more. Use the grill grate (included) for perfect steaks, burgers, sausage, etc. The charcoal box cooks perfect Charga Chicken, Brazillian BBQ, ribs, roast turkey or smoke your favorite meat. If you're looking for hassle-free cooking that's as easy as your kitchen oven, this machine is it. Just load the stainless steel baskets or attach chicken or turkey to the cool-touch spit or attach the indirect charcoal box to create a smoker or barbecue oven and come back later to the most delicious, juiciest barbecue you've ever tasted!

Every grill is designed and manufactured Bespoke to industrial quality constructed with stainless steel rotisserie baskets, spit, grates and Frame.

The constant rotating of the meat preserves the natural juices and flavors, rendering it so succulent!
